Who We Are

BPL MRO is your sourcing partner. If you need a hard-to-find part, we can find it for you. If you need a part fast (like the next day), we can get it to you.

We are known to hand-deliver rush to your factory door ourselves.

You need to keep you lines running, you need a reliable indirect material supplier

We can give you 30, 60, or 90 days

How We Can Help You

Manufacturers are only as good as their suppliers. If you can't get the replacement parts you need, you can't make products to sell.

Here's what we can do for you:

Rush Orders

Hard-To-Find Parts

Good Terms

Send An RFQ Let us know what you need, we will scour our trust sources to find the best price with the fastest delivery.

Receive A Quote Our dedicated Client Managers will get you a Quote, usually the same day if we can find the part in stock.

Send Us A PO You Send us an Order and we get to work on ordering and we let you know when it is supposed to arrive.

Importation Once we order your part, we track the package to us and give you updates on the expected delivery.

After we receive youre part, we check the quality, export it into Mexico and let you know when it will arrive.

We guarantee you will receive your part, even if it is lost in transit (due to no faul to of our own) we will replace your part at our expense.

If your part is unfortunately lost, stolen, or destroyedin transit we will ship you a new one at no additional cost to
